

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT TACOMA

HECTOR PEREZ ENRIQUEZ,

Plaintiff,

v.

BARBARA MADSEN, et al.,

Defendants.

CASE NO. C15-5065 BHS

ORDER ADOPTING REPORT
AND RECOMMENDATION

This matter comes before the Court on the Report and Recommendation (“R&R”) of the Honorable Karen L. Strombom, United States Magistrate Judge (Dkt. 10), and Plaintiff Hector Perez Enriquez’s (“Enriquez”) objections to the R&R (Dkt. 11).

On March 16, 2015, Judge Strombom issued the R&R recommending that the Court dismiss Enriquez’s complaint against the Washington Supreme Court Justices and Court Commissioners without leave to amend. Dkt. 10. Judge Strombom concluded that the proposed defendants are immune from suit, Enriquez does not have standing to litigate on behalf of other inmates, and any claim based on Enriquez’s criminal conviction is barred by *Heck v. Humphrey*, 512 U.S. 477 (1994).

1 On April 2, 2015, Enriquez filed numerous objections to the R&R. Dkt. 11.
2 Enriquez not only asserts that his claims have merit, but also asserts that Judge Strombom
3 has a conflict of interest. *Id.* Enriquez's objections are completely without merit because
4 they have no basis in law or fact.

5 Therefore, the Court having considered the R&R, Enriquez's objections, and the
6 remaining record, does hereby find and order as follows:

7 (1) The R&R is **ADOPTED**; and

8 (2) This action is **DISMISSED**.

9 Dated this 12th day of May, 2015.
